Student's Book

O Idioma Fácil

O site **idiomafacil.com.br** foi criado em 2010 com o intuito de proporcionar aos alunos estudar na comodidade do próprio lar ou local de trabalho sem ter que se deslocar até uma escola de idiomas. Com conteúdo online e professores especializados localizados em todo o Brasil.

É o único do setor de idiomas com e-books interativos!

O Idioma Fácil in company foi desenvolvido para fornecer ensino nos idiomas mais utilizados no Brasil atualmente através do método presencial com e-book e online para estudos em desktop, tablets ou smartphones adaptando os estudos à necessidade e disponibilidade de cada um.

Também prover acesso aos idiomas com a comodidade de estudar em casa, no trabalho ou mesmo durante viagem ao exterior.

Por não ser impresso e com metodologia simples e rápida demonstra ter um rendimento acelerado.

O e-book, que tem um vocabulário de mais de 400 palavras mais verbos e expressões, pode ser carregado no tablet, e smartphone e levando para qualquer lugar sendo usado on e off-line.

Bons estudos!

O método

Este é um método que pode ser usado de forma autodidata ou em classe para as pessoas aprenderem as línguas mais importantes.

O e-book é interativo com vídeo-aulas, áudio, exercícios e repetições.

Cada um pode seguir na velocidade de estudo que achar melhor.

Com design simples pode ser acessado facilmente através de seu desktop, notebook, tablet ou smartphone e/ou impresso.

Começa com uma **Introdução** dos temas da aula. Aqui é recomendado ler cada palavra, escutá-la e repeti-la em voz alta em seguida e escutá-la novamente. Se sentir necessidade repetir o processo. Após é só ver a vídeo-aula complementar.

Após, passa-se para a parte de **Pronúncia** repetindo o processo da introdução.

Na **Gramática** há traduções e conjugações verbais, além das explicações da matéria dada no início.

Treina-se a parte escrita com exercícios para completar e traduções. Também há questões múltipla escolha no site. Para a tradução oral, antes de escutar o áudio, deve-se traduzir cada frase oralmente antes de escutar. Se houver dificuldade é só repetir o processo ou acionar o chat de dúvidas.

Fazendo um pouco a cada dia é possível notar a evolução rapidamente. Deve-se iniciar e finalizar a lição a cada estudo, mantendo uma lição por dia de estudo, podendo revisar posteriormente.

No fim do e-book há um **glossário** com todas as palavras e verbos e uma tabela de conjugações dos verbos usados no e-book.

As **respostas** do livro de exercícios estão no final também.
