lawyer
accountant
veterinarian
teacher
journalist

university
college
career
degree
salesman
real estate broker

Talk

What will you study next year if you go to the college?
I will study engineering in the university where my father studied.
Very well. So you will be an engineer next year.
Not yet. I have to study six years first. Then I can have my degree.
What will you study, veterinary?
Not at all! I will study journalism. I want to be a journalist. I like TV.
